**Interior**

Fireblocked nine passenger executive configuration with forward cabin four place club arrangement, with an aft three place divan and two forward facing single seats opposite the divan (aft LJ cabin wardrobe removed). The divan center cushion also serves as a fold down table surface. All seating is upholstered in custom Spinneybeck leather, with coordinating beige lower side-panels, headliner is Bisque IZIT Leather vinyl. Carpeting which runs throughout the cabin is a complimenting custom Cameroon Special, cabinetry is High Gloss with complimenting Brass Medium Aged Walnut metal plating. Club seating offers drop down inboard arms as well as additional storage located under four of the club chairs.

Entertainment amenities include an Airshow 400 with Airshow Briefer System, DVD/CD Players with both forward and aft bulkhead mounted 13.8" LCD Monitors. There are five (5) 110 VAC outlets conveniently located throughout the cabin. The forward galley is equipped with microwave oven and coffee maker. Private enclosed lavatory compartment belted for tenth passenger.

Aft baggage partition removable for stretcher loading. Fwd cabin equipped with aeromedical electrical fittings.
